JUICE

Key data findings

2025 developments

Industry performance

Juice remains a popular staple in many homes

Increasing health concerns and rising costs put pressure on sales in 2025

Healthier and more affordable juice products find favour

What's next?

Modest growth accompanied by market polarisation

Premium juice brands in Kuwait will need to address the needs of an increasingly price sensitivity market

Brands expected to add health and wellness claims to gain ground

Competitive landscape

KDD leverages the launch of its Good for Me range to cement its lead in juice

Aujan Coca-Cola Beverages responds to increased competition with price promotions

Competition continues to grow among new and emerging players

Channels

Hypermarkets lead the distribution of juice, thanks to their pricing, promotion, and private label offer

Retail e-commerce taps into the demand for convenience

On-trade sales rise as more foodservice operators incorporate 100% juice into their menus

BOTTLED WATER

Key data findings

2025 developments

Industry performance

Bottled water sees modest growth in 2025 amid developing health and wellness trend

Price sensitivity and elevated inflation push consumers towards more affordable options

Kuwait's government plays a big role in the bottled water market

What's next?

Bottled water is set for steady growth as health trends and private label gain ground

Premium bottled water to focus on value additions to justify pricing

Health and wellness awareness will drive innovation in bottled water

Competitive landscape

Regional and domestic players continue to lead bottled water sales in Kuwait

Groupe Danone benefits from the success of its new product developments

Marketing and shelf positioning key to success

Channels

Hypermarkets continue to lead the distribution of bottled water

Small local grocers remains another key channel

E-commerce and direct selling

SPORTS DRINKS

Key data findings

2025 developments

Industry performance

Sports drinks struggles to gain traction in Kuwait

Limited target audience for sports drinks

Regular sports drinks remains the only significant category

What's next?

Modest growth projected for sports drinks

Hopes rest on new product development to drive growth

Innovation could be a door opener for sports drinks

Competitive landscape

Sports drinks remains consolidated with Gatorade dominating

Flavour variety important to Gatorade's success

Marketing focus remains on sponsoring events but digital marketing becoming more prevalent

Channels

Small local grocers lead sales of sports drinks

Distribution landscape remains split

ENERGY DRINKS

Key data findings

2025 developments

Industry performance

Marginal gains driven by increasing access to fitness facilities

Reduced sugar energy drinks benefit from health and wellness trend

Health concerns limit growth

What's next?

Energy drinks to remain niche while innovation set to fuel future growth

Rising costs may reshape the energy drinks market and influence packaging strategies

Wellness claims could propel new product development in energy drinks

Competitive landscape

Red Bull remains on top despite intensified competition

Prime continues to feed off the hype around the brand

Amino Go and Celsius benefit from healthy positioning

Channels

Small local grocers lead the distribution of energy drinks

Hypermarkets benefit from broader offer and widespread use of promotions

Distribution limited to the retail channel

CONCENTRATES

Key data findings

2025 developments

Industry performance

Growth limited by high sugar content

Vimto remains a staple during Ramadan

Some potential found in the use of concentrates as a post-workout drink

What's next?

Subdued outlook for concentrates as wellness trends reshape consumer preferences

Brands add health and wellness claims as part of efforts to win back consumers

Vimto likely to remain central to the future success of concentrates

Competitive landscape

Tang and Vimto continue to lead

Sunquick targets children with bold and bright packaging

Flavour is key in winning the hearts of consumers

Channels

Hypermarkets lead distribution but face stiff competition from supermarkets and small local grocers

Small local grocers remains another key channel

RTD TEA

Key data findings
 2025 developments
 Industry performance
 RTD tea benefits from the introduction and success of zero sugar variants
 Regular RTD retains a loyal customer base
 On-trade demand grows buoyed by developing café culture
 What's next?
 RTD tea set for steady growth over the forecast period
 No major changes expected in the market
 Health-driven innovation to fuel growth in Kuwait's RTD tea market
 Competitive landscape
 Unilever maintains its grip over RTD tea
 Rauch remains Lipton's main rival
 Smaller players look to carve out a niche in the market
 Channels
 Supermarkets lead sales
 Small local grocers gain share in 2025 as they tap into the demand for convenience
 Modern grocery retailers dominate while on-trade channel shows strong potential for growth

RTD COFFEE

Key data findings
 2025 developments
 Industry performance
 RTD coffee benefiting from demand for local brands as certain global brands face backlash
 RTD coffee impacted by the rise of homegrown coffee shops
 Culture factors place limits on the growth and expansion of RTD coffee
 What's next?
 RTD coffee set for steady growth as the boycott of international brands eases
 KDD's success could pave the way for similar local and regional launches
 Pricing remains a key concern while packaging starts shifting away from plastic
 Competitive landscape
 Nestlé maintains its lead thanks to strong brand equity
 Kuwaiti Danish Dairy Co continues to win share

Nescafé and Starbucks remain dominant

Channels

Hypermarkets lead distribution

Larger format stores still dominate distribution despite the convenience of small local grocers

On-trade sales remain negligible but the channel has potential

ASIAN SPECIALITY DRINKS

Key data findings

Industry performance

A new niche category

What's next?

Growth likely to be dependent on the ability of Mogu Mogu to expand its reach

Competitive landscape

A fragmented scene for Asian speciality drinks

Channels

Modern grocery retailers dominate sales

About Euromonitor International

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.

For more information on this report, further enquiries can be directed via this link www.euromonitor.com/soft-drinks-in-kuwait/report.
