The World Market for Home Care

July 2026

Table of Contents

INTRODUCTION

Our expert's view of Home Care in 2026

Home Care snapshot

Key findings

Much of future industry growth will be driven by developing markets

Top five trends

Top five trends uncovered

Drivers of consumer markets and impact on home care

Adjacent industries and how they impact home care

STATE OF THE INDUSTRY

Global home care growth remains price-led as volume recovery stays weak

Global country overview in 2025

Growth is becoming more broad-based as dishwashing and surface care outperform

The Middle East and Africa witnesses dynamic gains while developed regions decline

How Euromonitor's Global Consumer Trends are shaping home care

COMPANIES AND PRODUCTS

Procter & Gamble remains the market leader amid diverging competitor performance

Growth is concentrated among regionally focused players rather than global leaders

Top players remain dominant globally, but fragmentation increases across regions

Innovation becomes more focused as affordability pressures reshape strategy

The growth impact of sustainability claims differs across home care categories

CHANNELS

Retail distribution shifts reflect a balance between scale, value and structural change

The US and China lead in scale while growth is shifting to other markets and platforms

FUTURE OUTLOOK

Future growth diversifies with category expansion accelerating in key markets

Growth remains led by the US but developing markets drive future growth

Asia Pacific leads in scale, the Middle East and Africa leads on growth

Laundry care and dishwashing underpin future growth, while bleach declines

A combination of soft drivers underpins future category expansion and growth

Emerging markets continue to offer the greatest headroom for home care expansion

CONCLUSION

Growth opportunities expand but structural constraints limit upside

Opportunities for growth

Our expert's view of Home Care to 2030

About Euromonitor International

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.

For more information on this report, further enquiries can be directed via this link www.euromonitor.com/the-world-market-for-home-care/report.
